Dear Professor James Piazza  
Pennsilvania State University

I hope this message finds you well.

I am Graduate Student in Sociology at UC Merced interested in studying labor mobilization in Central America . For this reason, I would like to ask you if you could share me the replication code of your article ""Globalizing Quiescence: The Effects of Globalization on Strikes in 14 Industrialized Countries".

The aforementioned resource would be highly valuable in developing my research proposal. Of course, I will properly cite the use of your study.

Best wishes,

Luis Ruben Gonzalez Marquez  
Sociology-Graduate Student  
University of California, Merced
