Dear Professor Moisés Arce  
Cowen Chair in Latin American Social Sciences  
Tulane University

Dear Jorge Mangonnet  
Columbia University

I hope this message finds you well.

I am Graduate Student in Sociology at UC Merced interested in studying the subnational dynamics of mobilization in Central America . For this reason, I would like to ask you if you could share me the data source and the replication code of your article "Competitiveness, Partisanship, and Subnational Protest in Argentina".

The aforementioned resources would be highly valuable in developing my research proposal. Of course, I will properly cite the use of the dataset as well as your studies.

Best wishes,

Luis Ruben Gonzalez Marquez  
Sociology-Graduate Student  
University of California, Merced
